

# Christmas Gifts

Friends of Hope for Africa Mission's Christmas Gifts are an exciting alternative to traditional Christmas presents. They provide an opportunity to give something that will help some of the poorest people in the world.

As you can see below, just a small amount of money can make a big difference.

## Farming tools

£25 provides a family in Zimbabwe with all the tools they need to grow their own crops. Hope for Africa will also give them training so that they can get the most out of their land for many years to come.

## Vegetable seed

£15 will provide a widow in Mozambique with enough seed to plant a small vegetable plot. This helps to improve their diet and keep them healthy.

## Grace School

£25 buys 250 bricks for the planned Early Learning centre at Grace School in Siyabuswa, South Africa. This will provide education for pre-school aged children.

## Chickens

£10 will buy 5 chicks and the associated equipment for someone living in Lesotho. The chicks are not only a source of food but can also be sold to pay for schooling and healthcare.

## Alathea Bible College

£10 will help a student with curriculum resources, books or software in their training for church planting.
