

And now these three remain, faith, hope and love but the greatest is love. (1 Corinthians. 13:13)

Dear supporter,

The board of Friends of Hope for Africa Missions is very pleased to announce that Dr. Hendrick Mahlangu, founder and chief executive of the mission in South Africa will be with us the day conference we are arranging in Reading on 29th October.

I am taking this opportunity to thank you for your support in the past, and to invite you to attend the conference. Dr Mahlangu is an outstanding Christian leader and minister, whose life is totally devoted to the cause of the gospel. From his earlier career running a building business, he has turned his talents to caring for the needy through bringing people to Christ and establishing centres of Christian witness which cater for spiritual and physical needs.

You will see from the enclosed programme that a number of the trustees are advocates for different projects set up by HFAM, and will speak on their recent visits where they have assisted further developments. These visits are at their own expense, but our charity will fund the visit of Dr. Mahlangu and his deputy, Pastor Samuel Gunguta.

Much has been achieved since FHAM was set up, but the challenge is to make projects self sustaining. To this end Business for Mission is being developed, and the talk by Terry Thomas has been added to the programme

Hoping to see you on the day,

Yours in Christ

Karl Wiggins, Chair of the Trustees.
